## Chapter 1 by mariah

I am unknown swallowed in the darkness of not knowing when someone is finally going to understand me. I can't talk only move my arms and yell. It's annoying of course I can't say that. You the one reading this is the only one who can understand me. I have down syndrome not the normal kind that just limits me actual cold hard down syndrome. I can walk yes, just can;t talk or move my muscles very well. Eh, I get along. Any way until next time. Moms going to try to feed me ha good luck with that.
